

Complementary Therapist Volunteer

Do you have a qualification and experience in complementary therapies?

If so, we are looking for complementary therapists to deliver high quality holistic care to the patients of Harlington Hospice or Michael Sobell Hospice within Day Care and the In-patient Unit.

Help others with your therapeutic skills

We require someone qualified to a minimum of Level 3 in one or more of the following complementary therapies - massage, aromatherapy or reflexologies. Reiki practitioners must be qualified to a minimum of Level II and must be also qualified in another complementary therapy.

It would be great if you have a minimum of two years post qualification experience. However, for those with a background in healthcare or who have completed an appropriate course in using complementary therapy in an oncology or supportive and palliative care setting, a minimum of one year's experience will be considered.

Membership of an appropriate professional body.

We ideally request 4 hours per week of volunteering as a minimum.

We have two location where we need volunteers, these are **Harlington Hospice** based in Harlington and **Michael Sobell Hospice** at Northwood.

If you are interested in this role, please contact us for an application form at volunteerhub@h4all.org.uk.
